Authorized white glove delivery

White glove delivery service is offered through our authorized logistics carrier. White glove freight includes the following services: delivery appointment, delivery with lift gate truck, uncrating of equipment, inside delivery to point of use, setting the unit in place, and removal of all debris. No additional services will be provided.

Please note that white glove services can be modified to accommodate specific point-of-use requirements.

Please complete the below site survey. White glove delivery cannot be offered without a completed and signed site survey.
